**ORDER AFTER PLAN REVIEW CONFERENCE**

16

On September 2, 2021, I held a plan review conference in this Subchapter V case (the “Case”). The appearances of counsel and parties are reflected on the record. At that conference I sustained the Subchapter V Trustee's objections and provided additional comments on the terms of the plan. Given the status of the proceedings, I conclude Debtor cannot proceed with the plan at present. Accordingly, the matter is dropped from the calendar. When Debtor is ready to proceed with this case, it should review the outcome of this hearing and make appropriate adjustments to the plan’s terms to address the concerns discussed on the record.

17

Accordingly, it is hereby ordered that the plan review conference in this case be dropped from the calendar. This is without prejudice to Debtor filing an amended plan and applying for a new plan review conference date.

18

IT IS SO ORDERED.
